SHORT TERM RENTAL CONTRACT

Instrument Rentals from June 23, 2024 to June 28, 2024
at Colorado Suzuki Institute

Parties

Luther Strings Co. ("LS") agrees to provide _____ (the "Customer") with the instrument (and bow if applicable; the "Instrument", the "Bow") outlined in this contract, on a month-to-month basis, effective the date this contract is signed by LS and Customer, and concluding once the Customer has paid the full retail value of the Instrument, or returns the Instrument back to LS. The Customer must be at least 21 years of age to rent an instrument.

Payment

Payment is taken through the BANK ACCOUNT & ROUTING NUMBER [ACH] OR CREDIT/DEBIT CARD (3.5% Processing Fee on all CREDIT/DEBIT Payments) on file. If the account or card on file changes, the customer must let LS know in advance. The Customer pays the first three months of rent, including taxes and Maintenance Fee (if applicable) upfront. The invoices for future payments are due the first of every month, and will be assessed during the first week of said month. Payment is due for any month in which the Customer has the Instrument in its possession for any duration of that month. Please see the next page for rentals shorter than a month.

*Once a Rent-to-Own Customer has met the Full Retail Value of the Instrument, the Customer owns the Instrument and is no longer subject to payments of any kind. The Customer will be responsible for all damage after the final payment. The Maintenance Fee only covers damage if the instrument is brought into LS during the period when the Maintenance Fee is assessed.

When a Rental or Rent-to-Own Instrument is returned to LS by the Customer and this contract is terminated, all credit card and ACH information on file will be shredded.

Late Fees

A late fee of \$10 will be charged if the card on file cannot be processed. If Payment and Late Fee are not received by the last day of the calendar month in which Payment is due, the Customer must immediately return the Instrument to LS. If Payment and Late Fee are not received, and the Instrument is not returned to LS by the last day of the calendar month in which payment is due, the Customer's credit card will be charged for the remainder of the full retail value of the Instrument. If the full retail value of the Instrument is not collected, the Customer will be sent to collections for the full retail value of the Instrument, including all collection costs, including attorney fees. LS may seek any other relief allowable, including repossession of the Instrument. Delinquent accounts will accrue 18% interest per year until paid in full.

Repairs

Until the Customer has paid the full retail value of the Instrument, it is the sole property of LS. The Customer agrees that all repairs to the Instrument will be done exclusively by LS, at its applicable rates. The Customer is fully liable for any repairs LS deems necessary, at its sole discretion, to repair any damage to the Instrument that is a result of normal wear and tear, negligence or abuse. If the Customer is found to have repaired the Instrument without the consent of LS, the Customer is liable for the full retail value of the instrument and any applicable taxes, due by the last day of the month. The Customer is responsible for any repairs or maintenance necessary, at the sole discretion of LS, at the applicable rates.

Maintenance Fee

The Maintenance Fee covers the cost of all repairs, except neglect (if the instrument is left in extreme weather), purposeful damage, and on-demand cosmetic repairs. The Maintenance Fee is based on the price of the entire rental. The Maintenance Fee is required for all rent-to-own contracts, and required for all rentals less than a month, and for all bass rentals.

Return

RENT PROGRAM: The Customer may return the Instrument to LS at any time and the customer will not be billed starting the following month. If the customer does not pay the Maintenance Fee, the Customer is fully liable for any repairs LS deems necessary. Purchase of the Maintenance Fee is highly encouraged, but not required.

RENT-TO-OWN PROGRAM: The Customer may return the Instrument to LS at any time and the customer will not be billed starting the following month. All cumulative monthly rental payments can be credited towards the purchase of another instrument or bow, minus any repair costs. Purchase of the Maintenance Fee is required.

The Rent-to-Own program cannot be shared between different people.

CHOICE OF LAW. This Agreement will be governed by, and construed in accordance with, the laws of the State of Colorado.

SEVERABILITY: Unenforceability or invalidity of one or more clauses in this Agreement shall not have an effect on any other clause in this Agreement. If it is possible, any unenforceable or invalid clause in this Agreement shall be modified to show the original intention of the parties.

I, _____, the Customer, agree to the terms and conditions as detailed in this Contract.
